Budget Delegate	Robert Taylor	Idea #:	93 and 1034
		ID:	1
		SVI:	1 (\$4,000,000)
		Budget:	\$1,250,000.00
Location	Bordeaux and Timothy Park		

### Short Description:

Updates to Timothy Park: Replace aging playground equipment, update basketball courts with new surface and new goals and repave the walking loop.

### Long Description:

We would like Timothy Park to Be Refreshed. It is a wonderful green space in North Nashville. Funding should be set aside to Resurface the walking track around the park, Replace the old children's playground with a new playground, and Update the basketball court. This Park should be a crown jewel in North Nashville. We would love to see it treated as such. This project will improve the community's quality of life as a part of the larger revitalization of Bordeaux.

- Install a new playgrounds. Ages 5-12 and 2-5. **\$ 650,000**
- Rebuild the basketball including repaving coating and new goals. **\$ 350,000**
- Repave the walking loop. **\$ 200,000**

In that vein, we would also like to fund a community gathering to commemorate the Clarksville Pike widening project and the revitalization of the Bordeaux community/business district. This event to be planned over a weekend and be a maximum of 2 days. **\$50,000**

*This project page has been curated by a budget delegate, drawing inspiration from ideas submitted by Nashville residents until June 20, 2023. It has been shaped with initial input regarding scope and budget from a Metro department. While Metro is committed to adhering to the specified scope, adjustments or even the potential elimination of certain aspects may become necessary during implementation, influenced by site-specific or unforeseen conditions. Furthermore, the projects' funding source is from the American Rescue Plan Act (ARPA), which current guidelines require all ARPA-funded projects be completed by December 2026. Should any project be delayed or expected to be delayed beyond this deadline, it shall be subject to elimination. The implementation timeline will be rigorously monitored to ensure compliance with this crucial requirement. Any prospective alterations to the project will be subjected to rigorous scrutiny and resolution by the steering committee during their regularly scheduled meetings.*
